Of Farmers, For Farmers and Pertaining to Farmers.

Frank McGarthland is one of the good farmers who believes in keeping the best as he has found by experience that there is more money raising good stock than scrubs. With this in view he has just bought a fine Poland-China male to head his herd.

The Democrat has it on good authority that fifty per cent of the country voters fail in some way or other on marking the Constitutional Amendment ballot. Herein rests danger.

Dale Wilson spent Tuesday in Hannibal.

## Wilson Stands For a Principle—Will You Stand By Him?

Woodrow Wilson is a vastly different order of man than you find among the ranks of many good men in practical political life.

Woodrow Wilson is not among the great majority of politicians and business men, otherwise estimable characters, who believe that the end justifies the means, who are honest in a commercial or political sense.

The candidate of the progressive voters of the country not only does not believe in the doctrine of "anything to win," but he insists on plain old fashioned honesty in every detail of his campaign.

Woodrow Wilson proposes to win on the merits of his candidacy and platform or not at all.

"Clean hands or no fight" is Wilson's ultimatum to his supporters throughout the country.

### No Tainted Money For Wilson

Not a dollar of questionable money will be spent to elect Woodrow Wilson.

The Democratic National Committee is heart and soul in accord with the candidate's views.

And the corrupting influences, with no political faith, casting about to win a foothold in the new government with bribes of ill-gotten gains, have despaired of reaching Wilson or his campaigners.

They have gone to the enemy, whoever that enemy may be. It is a matter of common knowledge that the "Interests" are using all their political funds to defeat Wilson.

This makes it your fight.

### What the American People Need to Know

The people have constantly made the mistake of believing that this is a money-ridden nation.

Such is only the case insofar as the People fail to get together and so permit the few to control the dishonest representatives they, by mistake, elect to office.

The actual money power of the People is still greater than that of the Interests.

The Progressive People of the country, if they get together, can buy and sell the Corrupting Influences and destroy their financial power.

So Woodrow Wilson and his managers believe that not only is it the only clean method but the most practical method for the Progressive People of the country to supply the Woodrow Wilson Campaign Fund.

### The People to Fight With THEIR Dollars

This year a popular president is to be elected with the People's money.

The Woodrow Wilson Campaign Fund is to be collected from the rank and file of the Progressive Voters of the country.

The bills of the Democratic National Committee are to be paid, not with the thousands of the Interests, but with the individual dollars of the earnest, eager voters who desire clean, efficient government and who are willing to help Wilson as he wants to be helped.

Money thus needed is not spent in improper ways or in any manner similar to the way in which the funds of the Interests are disbursed.

But we have to tell the voters of the country about Woodrow Wilson. We have to tell them what he has done. We have to tell them what he stands for. We have to point out to them the important planks in his platform. All this means that to hold up our end we will be obliged to spend as much money as those who oppose us.

This means that every man or woman who believes in Wilson should be willing to contribute to his cause.

Let the supporters of Wilson help us to spread the Wilson gospel to the four winds.

Let the Progressive Voters battle this year with their pocketbooks as well as their ballots.

### We Solicit Popular Subscriptions—Can You Give From \$1 to \$20?

Of course, you can—and you are glad to support the cause in this way.

Practically every voter can afford to give \$1 to aid the Wilson Campaign. A great many can give \$2. A great many can give \$5. And there are lots and lots of progressive voters who will be eager to donate from \$10 to \$20.

These are the kind of contributions we want.

And we will be proud to receive from thousands, who can only afford \$1, their \$1 contributions. We want to hear from every man who has a dollar to give.

This year the man with the dollar must defeat the government traducer who spends his thousands.

### Get Club Subscriptions

If you know many Wilson men, if you work among many Wilson men, head a list with your name and money and get the others to join you with their subscriptions.

Then send your list with the money to C. R. Crane, Vice Chairman, Finance Committee, Democratic National Committee, 900 Michigan Avenue, Chicago, Illinois.

No loyal Wilson man can do more than this to assure Wilson's victory at the polls in November.

### Henderson-Forsythe.

At the Christian Church yesterday morning at Nine o'clock, Miss Katherine Henderson of this city and Cecil Forsythe of Oklahoma City, Oklahoma were united in marriage. The attendants were Mrs. Jess H. Meriwether, a sister of the bride as matron of honor, and J. R. Henderson, a brother of the bride as best man. The bride was attired in a brown traveling suit. The church was tastily decorated with foliage and cut flowers. Just prior to ceremony, with Miss Mildred Buell, as accompanist at the piano, Mrs. Ruby Cox, a sister of the groom sang, "All for You," and "Because." Amid the sweet strains of "Mendelssohn's Wedding March," played by Mrs. W. G. Williamson, the organist, the bride accompanied by the matron of honor, and the groom by the best man, wended their way down the isles, and were met by Rev. W. G. Alcorn, who in a very impressive manner spoke those words which united the lives of this young couple. The bride is the accomplished daughter of Mr. and Mrs. Jasper Henderson of this city. She is a graduate of the Monroe City High School and of William Wood College at Fulton, Mo. The groom is the son of T. P. Forsythe, and formerly resided at this

place, but for the past few years has been City Editor of the Oklahoma City News. He is also a graduate of the Monroe City High School, having been a member of the same class as the bride, and is also a graduate of William Jewell College of Liberty, Missouri. After the ceremony the happy young couple left for St. Louis, where they will stay a few days. They will be at home in Oklahoma City, after Oct. 21st. They take with them to their new home, the best wishes of a host of friends.

On Friday, Oct. 4, Mrs. Lamar Wood invited fifty or more of Miss Kate Henderson's friends to a "Miscellaneous Shower" and such it truly proved to be. After Miss Bertha Jaeger had entertained with her beautiful songs, everyone circled about Miss Kate when she was presented with the heaping trays of gifts. She was duly surprised and in her usual apt way had pretty thanks ready for each package opened. After everything was examined and admired, delightful refreshments were served in the dining room which was lovely with its rich colored autumn leaves. The guests left with that satisfactory feeling that each in its way, the day, the shower, the bride, and the hostess was perfect.

Loren Yates has sold his interest in the firm of Yates & Shearman to William Gottman, Jr. Mr. Yates does this on account of his health not being good. The new firm of Shearman & Gottman is strong and both gentlemen are courteous, pleasant and accommodating, and the Democrat bespeaks a good patronage. Mr. Yates many friends regret that his health required him to retire from the business field here. The stock is now being invoiced.

### Likes the West.

D. K. Yowell and wife have returned from a six weeks trip through the western states, especially along the Pacific coast and up in British Columbia. Dan is so much taken with that part of the country that he made a good investment out there. He says that he greatly enjoyed every minute of the time he was gone and cannot see why any American wants to trot off to Europe until they have first seen the United States.

An all day meeting of the W. C. T. U. was held at the country home of Mrs. Jennie Evans, Tuesday. It is needless to mention the attendance was large, and the dinner was larger. All went home feeling it was good to be there.

#### Perry Boosters.

When our sister city of Perry attempts to do anything she always succeeds because she has so many business men who are boosters, all standing shoulder to shoulder working for the good of the town. They are going to have a Corn Carnival over there Oct. 17, 18 and 19 and they are advertising it in many ways. Tuesday eleven cars containing 45 live wires started out of Perry and made quite a number of towns boosting Perry and their Corn Carnival. They came in here at night and every man was busy during their entire stay talking for Perry. That is what makes Perry such a good town.
